The Liberal Studies associate degree offers a broad education where students can take classes in multiple subjects. The curriculum for the Associate of Arts Degree in Liberal Studies is designed to satisfy the needs of students seeking a general background with the possibility of specializing in selected areas. Students completing this degree may continue their studies in bachelor's degree programs offered by the University, may transfer to other universities for further study or may terminate study at this level.

The Associate of Arts Degree in Liberal Studies requires successful completion of 64 credits made up of 18 credits of required major courses, 25 credits of general education courses and 21 credits of open electives with a cumulative grade point average of no less than 2.00 on a 4.00 scale. The degree program offers flexibility for students who are also working professionals.

The following disciplinary areas are available and will fulfill the major course requirement for DSU Online or distance learning students: General Management, Public Health, Psychology, and Social Work. For more information visit us on the web at: www.desu.edu/liberal-studies
